

A line drawing of a tall, narrow container, possibly a bin or a small cabinet. It has a rectangular body with a handle on the front. The handle is a horizontal oval shape. To the left of the container, there is a vertical dimension line with arrows at both ends, indicating the height. The number '668' is written vertically along this dimension line. The container is divided into three main sections: a top section with the handle, a middle section, and a bottom section. The bottom section appears to be slightly wider than the middle section, suggesting a trapezoidal shape for the middle part.
